look after their property at all times. Whilst we will do our
utmost to investigate any loss of/damage to property, Sidney
Stringer Academy accepts NO liability.

All lost property will be taken to the school reception
Every student is given an email account and a user area. Any personal data created or accessed by students through email, the internet or via any computer programme may be viewed or accessed by the Academy at any time; this is to ensure that students do not abuse the privilege of having an email account and a user area. Abuse of this privilege, which includes using or accessing threatening, offensive or sexually explicit language and/or images, will result in a ban. More serious misuse will involve the Academy’s behaviour and sanction procedures. A communication will be sent home detailing the reason for, and the duration of, the ban which is in line with the Academy’s policy on the use of the computer and internet. The policy is available to download from our website. Alternatively, please request a paper copy from the Administration office.
It is vital that students aim for 100% attendance at the Academy!

Any absence from the Academy means that students do not do as well and it could seriously affect their final results.

**Pupils**

If you do not attend school every day:

— You won’t know how to do the work
— You will feel left out
— You may get left behind
— You may have to make friends again
— You will lose touch

Missing lessons makes it hard to catch up and you have to work harder when you come back. Missed lessons = missed opportunities.

Please telephone the Academy that morning telling us the name of your child and why they will be absent.

Please follow this up with a note explaining the reason so that we can keep this for our records.

Holidays should only be taken in the Academy’s holiday time. Never book up holidays during exam time - many of our students in years 9, 10, 11 and 16+ will be taking exams each summer. As well as this, in many subjects there are modules that are taken throughout the year. Many students are also studying vocational courses that are continually assessed. A week or two away will mean they miss out on a lot of work that is often impossible to catch up on.

We are aiming for 100% attendance from every student.

**IF HOLIDAY IS TAKEN DURING TERM TIME A FINE WILL BE ISSUED**
Staff, students and parents need to be aware of our standards and expectations:

- Every student has the right to learn;
- Every teacher has the right to teach without interruption;
- Every parent has the right to information about their child’s behaviour, and to work in partnership with the school to encourage high standards and expectations.

At Sidney Stringer Academy we believe that it is important that as parents you share the responsibility for your child’s behaviour and that you have the right to be kept informed and involved. By sending your son/daughter to Sidney Stringer Academy as parents, you undertake a commitment to support the Academy.

The Academy has developed a new set of behaviour guidelines called ‘The Stringer Way’. On the following page is a summary of our key expectations. If you want further details then please see the behaviour policy which is available on our website.

Respect
Determination
Integrity
The Stringer Way: behaviour

In the classroom, staff can expect students to...
- Do as they are told, first time, every time
- Arrive on time properly dressed and fully equipped
- Enter when instructed in an orderly manner
- Sit where they are asked
- Listen when the teacher or another student is speaking to the class
- Ensure that mobile phones or music players are not seen or heard in any lessons without the permission of the teacher
- Work hard and be considerate of others
- Be polite and respectful at all times

Students can expect staff to...
- Be courteous consistent and fair
- Prepare high quality lessons and mark their work
- Be on time for their lessons
- Listen, at the appropriate times, to students’ explanations of their behaviour
- Recognise good work and behaviour
- Deal with inappropriate behaviour of other students
Students will...
- Arrive on time - to school, to your lessons
- Correctly dressed prepared and equipped
- Have your planner with you at all times
- Look after the environment of the Academy
- Respect people and property in your words and actions
- Move calmly around the site
- Never leave the Academy site or a lesson without permission

Remember:
- Correct uniform should be worn at all times
- Extremes of hair fashion and make up are not appropriate
- Chewing gum is not allowed at any time
- Put all litter in bins
- Jewellery is to be kept to a minimum. Ear studs or small sleepers, small nose studs, one ring and one plain bracelet allowed
- Necklaces to be worn inside the shirt and tie
- Swearing and bad language is unacceptable
- Smoking is not allowed on site or whilst arriving and leaving the academy
- Please only wear uniform headwear. Head decoration is not allowed

Students are expected to behave in line with Academy rules/policies at all times, including out of school hours and especially on the journey to/from the Academy. We reserve the right to take action where the behaviour of a student out of school hours may have a negative impact of the reputation of the Academy.

What happens if students do not behave?

The vast majority of students at Sidney Stringer behave really well. However, when they don’t then we have clear systems in place. This includes:

**Stage 1**
Detention, moving seats, verbal warnings, contacting parents, litter picking or some other form of community service.

**Stage 2**
Department or House report, contacting parents, department/house detention, Academy detention, moving to a different group/class as a temporary measure, withdrawal of privileges (e.g. academy trips).

**Stage 3**
Senior management report, Leadership detention, meeting with parents, fixed term exclusion, time out room, internal exclusion in very serious cases permanent exclusion.
**Time out room**  
This is for students who have been removed from a lesson or tutor session due to unacceptable behaviour. We will inform you as a parent if your child has been placed in here. It is a temporary measure usually for one lesson.

**Internal Exclusion room (IER)**  
This is for more serious incidents and students will be placed here as an alternative to a fixed term exclusion. Students will work hard all day away from their friends and will have a different break and lunch time to them. If a student cannot behave in this room or has 3 instances of being there then they will have a fixed term exclusion. If a student has 3 fixed term exclusions then they will have to appear before a governor's committee.

**Rewards**

As an academy it is important to say well done to our students and celebrate success.

Students are awarded House points and will be rewarded according to the level of House Points they achieve. For full details, please see behaviour and rewards policy on the website.

As well as this if your son or daughter has done anything that you are proud of that you think we ought to know then please do tell us as we want to help celebrate their success.
Mobile Phones, IPads, etc

As an Academy we appreciate the fact that mobile phones and other similar devices can aid learning and support the security of our students. The Academy policy clearly states that mobile phones/music players are allowed in school, however, in order to avoid disruption to learning and ensure the safety of all students the following conditions apply:

- The Academy will accept NO responsibility for loss or theft. Students bring them at their own risk.
- They are not to be SEEN or HEARD during lesson time unless a teacher has given specific permission.
- This includes the headphones which should be kept out of sight.
- If a phone or music player is seen or heard in lesson time then the member of staff is expected to confiscate it and return it at the end of the lesson.
- If this happens on more than one occasion then this will be handed to the House Head (HH) and the student will be expected to collect it from the House head at the end of the day. The House Head will lock it away for safety.
- If the House Head or House assistant is unavailable then this can be given to the Assistant Principal (AP) for the House.
- If a mobile phone is given to the HH/AP on more than 2 occasions, on the third occasion we would expect parents to come and collect it. The phone will be locked away for safekeeping.
- Any student who refuses to hand it in will have to spend the day in the IER. They cannot return to lessons until the phone has been handed in to the HH or AP for a day.
- Any student using mobile phones in a way that upsets or intimidates other students or staff will be asked to give it to a member of staff and parents will be contacted by the HH or AP. (This includes recording people or incidents with/without permission.)
Detentions

Teachers at Sidney Stringer Academy will not set whole class detentions. However, where it is felt that an individual or a group of students have merited a detention, then the following will apply:

- If the detention is for more than 15 minutes then as parent you will be given 24 hours notice.
- The teacher or member of staff setting the detention will write it in the Passport. It is the responsibility of the student to show you the Passport. If they do not show you this is not a valid reason for them not doing it.
- Detentions are not negotiable. If a member of staff has set a detention, then it is expected that the student will do it.
- If there is a valid reason as to why the date of the detention is unacceptable, then staff are willing to be flexible but the detention will still need to be served after school. A lunchtime is not a suitable alternative.
- If a pupil needs support getting home from school following a detention, this is the responsibility of parents and not the Academy.

WHAT TO DO IF YOU HAVE A PROBLEM OR CONCERN

From time to time you may have a problem or concern to do with your child's education at the Academy. The nature of children and their growing up means that such issues are not unusual; it is our wish to work with you in a partnership to help resolve these difficulties as they arise. It is often best to raise an issue at an early stage so that it does not fester, cause unnecessary anxiety or develop into a larger problem.

Academy matters

Your child's Tutor or Head of House normally deals with school matters - academic and pastoral. He or she will try to respond promptly to your concern and, where appropriate, will arrange to meet with you to discuss the matter.

Parents may make an appointment through the Academy Office to speak with other members of staff.
EXTENSION AND ENRICHMENT

We are proud of the enrichment activities that we offer at the academy. The launch of lesson 6 will see the introduction of a wider range of opportunities after school ranging from the traditional sport to beauty and website design. The programme for the term will be published in advance and although not compulsory we do hope that many students will attend.

Deeper learning days

Every year the Students will have the opportunity to participate in deeper learning days. On these days normal timetable is suspended and students are offered a range of stimulating, educational yet enjoyable activities.

These activities might include visits to museums, art galleries and other places, business opportunities, team building, Maths or English enrichment and visiting speakers. All students are expected to attend these days and they form a very important part of their education.

SCHOOL MEALS

All students are encouraged to stay on school site for dinner.

What is a Cashless System?
At the heart of the cashless system there is a computer controlled by Software. This allows the system to recognise each individual student, hold individual cash balances, record cash spent and cash received, record where money is spent, on what food, on any specific date and time of day.

How does the student obtain a school meal?
The student will touch an image scanner in front of the point of sale touch screen. A display will show the server the student’s name, class and current cash balance held within the system. The selected food items will be entered into the system from an itemised keyboard while the amount spent and the new cash balance will show on the display.
How to pay

THERE ARE DIFFERENT WAYS TO PAY:

Cash: into the revaluation machines on site. These take £5, £10 and £20 notes, £2, £1, 50p, 20p, 10p, 5p coins no copper is accepted. There is no minimum or maximum amount that has to be credited to the account before it can be used (however the account must be in credit to purchase food).

The ParentPay system: an the online service that lets parents make secure online payments by credit & debit card or send cash through. You will be sent login details and it is very easy to use. It can be used to pay for school meals, trips and uniform and is available to all parents.

ParentPay is one of the best ideas to be introduced into school. I have lost count of the times when dinner money had been lost. All students will be issued with a parent pay log in details.

‘The idea is brilliant, less stress for all concerned: the parents, the children and the staff’

WHAT TO DO IF YOU HAVE A COMPLAINT

The Academy has a formal complaints policy and this is available on the academy website and on request from the school reception.

Our experience is that the vast majority of concerns and complaints can be resolved informally to the full satisfaction of those who raise them. There are many occasions where concerns can be resolved straight away, providing you with the benefit of an immediate response, and avoiding the need to submit a formal complaint. Concerns may be raised with any member of the Academy staff depending on the type of issue to be discussed.

However if you still wish to proceed with a formal complaint then please refer to the policy.
