

Key Stage Four GCSE and BTEC - outstanding outcomes!

Sidney Stringer Academy is proud to announce significant improvements in our provisional Key Stage Four results. Despite facing unique challenges and missing critical face-to-face primary education due to COVID-19 disruptions, our students demonstrated incredible resilience to achieve strong gains compared to the last few years. The Attainment 8 score climbed to 42.74, up from 40.06 in 2025. Students securing a Grade 4+ in both English and Maths rose to 58% (up from 52%), while Grade 5+ reached 44% (up from 35%). Students securing Grade 7+ in English and Maths nearly doubled to 20% (up from 11%). English 4+ increased to 71% (up from 64%) and Maths 4+ grew to 63% (up from 57%). Standout subject performance was led by Biology, Community Languages, History, Media, and Physics. Congratulations to our hard-working students, supportive families, and dedicated staff for these well-deserved successes!

A Ford, Headteacher, stated: "These fantastic results are a true testament to the hard work and determination of our students. Despite missing vital face-to-face primary learning, they showed incredible grit to achieve notable gains in English and Maths. I want to thank our extraordinary staff and supportive families for working with the students to make this progress possible."

C Turpin, CEO said: "I am immensely proud of our students at Sidney Stringer.

Overcoming significant primary school disruptions from COVID-19, this year group demonstrated remarkable resilience to drive strong improvements across Key Stage Four outcomes. These results reflect the relentless dedication of our staff and our trust's unwavering commitment to student success."
